MEDICAL.

WHAT EVERY WOMAN SHOULD KNOW

Every woman should know that if she is in poor, sickly debilitated condition of health, making existence a burden to herself and a source of painful anxiety to her relatives and friends, and perhaps, (horrible velection i) entailing and inflicting her own maladies and sufferiogs upon her children, that it is her duty to understand why and from what cause her sufferings arise, that remedy and relief may, while yet there is time, be availed of, the cause be avoided in future, and her health restored, that she may be fitted for the duties and capable of the enjoyments o

Let every woman look at the emeciated form, the death-like complexion, the deep-buried, justreless eye, the sunk-to cheek, the gloomy and depressed spirits, the shattered nerves, the prostrate and helpless condition of many a wife, mother, daughter, or sister, if not herself included, within her own circle, whose days are days of agony, and ask herself, "Must this continue? Must this be? Is there no remedy? No relief? No hope?"

The remedy is by knowing the causes and avoiding them, and knowing the remedies and benefiting by them. These are pointed out in

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION, BY DR. A. M. MAURICEAU,

PROPESOR OF DISEASES OF WORKS. One hundredth Edition (500,000). 18mo., pp. 250. [ON PINE PAPER, EXTRA BINDING, \$1 00 ]

Every complaint to which a woman is subject, from girl anhood, as also as wife and as mother, are fully described, with the causes, the symptoms, and also proper mode of treatment, in a plain, simple, but in the most chaste language, easily understood. And thus every woover, by comparing her own symptoms with those described, the nature, character, and causes of her complaint; and be spared much anxiety and suffering.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forstruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm.

How many are suffering from obstructions or irregulari-ties peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice? How many suffer from prolapsus uteri (falling of the womb), or from fluor albus (weakness, debility, &c.)? How many are in constant agony for many months preceding confinement? How many have difficult, if not dangerous deliveries, and slow and uncertain recoveries? Some whose lives are hazarded during such time, witl each find in its pages the means of prevention, amelioration and relief. How many bitter moments, how much anguish, might have been spared to the sufferer, to her husband, to her relatives, by the timely possession of this little volume.

It is impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for

the married, or those contemplating marriage.

But no husband, wife or mother are excusable if they still continue in ignorance of those physiological laws, by the knowledge of which their own health and happiness, as also the future well-being of their children, are a "THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION" is a standard work of established reputation, found classed in the catalogues of the great trade sales in New York, Philadelphia, and other cities, and

sold by all the principal booksellers in the United States. It was first published in 1847, since which time FIVE HUNDRED THOUSAND COPIES have been sold, of which there were upwards of ONE HUNDRED THOUSAND SENT BY MAIL, attesting the high estimation in which it is held as a reliable popular Medical BOOK FOR EVERY FEMALE:

the author having devoted his exclusive altention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted by imitations of title-page, spu-rious editions, and surreptitious infringements of copyright, as well upon booksellers as upon the public; it has been found necessary, therefore, to

CAUTION THE PUBLIC o buy no book unless the words " Dr. A. M. MAURICEAU, 199 Liberty street, N. Y.," are on the title-page, and the entry in the Clerk's Office on the back of the title-page; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Mauriceau.

Upon receipt of Une Dollar "THE MAR-RIED WOMAN'S PRIVATE MEDICAL COMPAN-ION" is sent (mailed free) to any part of the United States, the Canadas and British Provinces. All letters must be postpaid, and addressed to Dr. A. M. MAURICEAU, Box 1224, New York City. Pub-Ushing Office, No. 129 Liberty Street, New York.

we urge them upon the consideration of the reading public.
